What you need to know and then some!

✦ READ, READ, AND READ AGAIN! ✦

We are so excited that you have chosen to be part of this year's program. Each year, thousands of young women enter a local preliminary, move on to state and ultimately to the national level. That journey culminates with one being crowned Miss America or Miss America's Outstanding Teen. [That could be you!](#)

We all want the day of competition to be fun and rewarding. To help the day run smoothly and maximize limited rehearsal time, it is important that you be prepared with the following items and know any choreography and staging provided in advance. Teen Candidates, come prepared as there will not be time to teach the fitness routine choreography that day.

If you have questions or need assistance, please do not hesitate to contact Kim Todd at 216.702.0093 or Jen Edwards at 256.288.6577.

We cannot wait to see you on November 20!
